**INFORMATION DISCLOSURE STATEMENT**

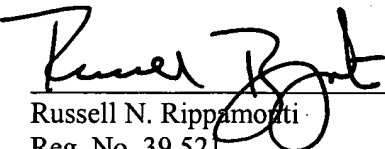

Applicant requests consideration of the references listed on the attached PTO-1449 form. A copy of the International Search Report from counterpart international application no. PCT/US2005/000994 is enclosed. Copies of the non-U.S. references, including the English language abstract for DE 2708824, are also enclosed. Applicant was unable to locate an English language version of DE 8634567. DE 8634567 consists of two sections, which appear to be the specification and the claims. Therefore, due to the lack of an abstract or an English language version of the patent, enclosed is an English language version of claim 1. Copies of any listed U.S. patents or U.S. patent application publications can be provided upon request.

This statement is being filed within three months of the receipt of the International Search Report for the counterpart foreign application and before the receipt of a first Office Action on the merits. Please apply any charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date:
